A stylized illustration of a sailboat. The hull is black and curved. The sail is large and curved, divided into three sections: a dark gray outer section, a white middle section, and a light gray inner section. The boat is sailing on stylized, swirling waves.

THE ECKERD COLLEGE HIERARCHY
PRESIDENT

Leaps tall buildings with a single bound
Is more powerful than a locomotive
Is faster than a speeding bullet
Walks on water
Gives policy to God.

PROVOST

Leaps short buildings with a single bound
Is more powerful than a switch engine
Is just as fast as a speeding bullet
Walks on water, if calm
Talks to God.

COLLEGIAL SECRETARY

Leaps short buildings with a running start and favorable winds
Is almost as powerful as a switch engine
Is faster than a speeding BB
Walks on water in indoor swimming pools
Talks with God if special request is approved.

PROFESSOR

Barely clears campus ant hill
Loses tug of war with a switch engine
Can fire a speeding bullet
Swims well
Is occasionally addressed by God.

STUDENT

Makes high marks when trying to leap campus ant hills
Is run over by locomotive
Can sometimes handle a pencil without inflicting self-injury
Talks to animals.

WORK SCHOLAR

Runs into buildings
Recognizes locomotive 2 out of 3 times
Freaks out at typewriters
Drools when licking stamps
Talks to Walls.

BASEBALL PLAYER

Falls over doorstep when trying to enter buildings
Says "Look at the Choo Choo."
Wets himself with a water pistol
Plays in mud puddles
Mumbles to himself.

JACK ECKERD, CHAIRMAN OF THE BOARD OF TRUSTEES

Lifts buildings and walks under them
Kicks locomotive off the tracks
Catches speeding bullets with his teeth and eats them
Freezes water with a single glance
Because — HE IS GOD.
